High-end Porcelain Concepts. World-class Quality

When conceptualizing dinnerware ideas, it's crucial to take into account the interior design and ambiance. Our Performance Whiteware serves as an ideal foundation that seamlessly complements any style presentation or décor, ranging from casual and bistro to upscale settings. Performance White also provides an excellent canvas for customization, allowing for the addition of color bands or unique branding to personalize the experience. Crafted exclusively for the hospitality industry, each shape has been meticulously designed with both the front and back of house operations in mind. As the most durable chinaware available in the market today, Performance comes with a lifetime chip guarantee, providing an extra layer of assurance that your tableware is built to endure and last.

#### Secure Handle Adhesion

Every time you serve a customer with a Performance or Distinction cup or mug, relax in the confidence that the handle has gone through 7 different quality checks to ensure it stays where it belongs - on the cup!

#### Stackability

Stackable shapes result in space-saving solutions!

#### Microwave & Freezer Safe

Our products offer complete versatility. However you work, be confident our products work with you.

#### Thermal Shock Resistance

Performance and Distinction products withstand temperature fluctuations of up to 350°F. Work with our products and work with confidence.

#### Heat & Chill Retention

Piping hot main course or ice-chilled desserts, serve your food as it is meant to be served.

#### Stain Resistance

All products have great stain resistance, which means you can work comfortably with any food time and time again... without leaving a trace.

#### Glaze Damage Resistance

Durable transparent glaze provides an excellent quality finish and great performance in service.

#### Dishwasher Safe

Our products withstand the dishwasher better than most by enduring the rigours of the food service industry wash after wash.
